Here is some useful information.

To start the pre-registration application, click "New Pre-registration Application." You can pause and resume filling out the application. To access your initial application or view it after submitting, click "Go to Application."
You can submit only one pre-enrollment application to one institution and one course.

To select a course, you must first correctly select the course type. For information on how to correctly select a course, contact the institution where you wish to apply. The course type menu is only in Italian.

To modify your application after submitting it, please contact the institution directly, which will be able to verify the changes and, if necessary, reopen the application.

For any information about courses, documents, and subsequent procedures, please contact the institution where you wish to apply.

To update your personal data, please contact [Technical Support](#), specifying the information you wish to correct and attaching a copy of your passport.
